

You are invited to participate in the

UCSD Medical Alumni Association 2008 Career Night

Wednesday, January 16th, 2008 6:00 – 8:00 p.m.
Health Sciences Education Center; Rooms 1, 2 & 3
Pharmaceutical Sciences Building
UCSD School of Medicine, La Jolla

Career Night is an opportunity to share your medical career experiences and insights with 1st and 2nd year medical students. A casual dinner will be provided, followed by informal short presentations and roundtable discussions. Many students have questions about different medical career options and will benefit from your first-hand knowledge. We know that your time is limited, but hope you will be able to contribute. It means a great deal to the students to have a chance to talk with you – our valued alumni member!

Please reply to this request on or before December 23th by: 1) e-mailing – medalumni@ucsd.edu with your responses to the questions below; or 2) faxing – print this form, complete the questions below and fax to (858)822-5908. We welcome the opportunity to hear your comments and answer any questions, so feel free to contact Brooke Bain, Director for Medical Alumni Relations at babain@ucsd.edu. Complimentary parking passes will be sent to you prior to Career Night.

Questions? Call the Medical Alumni Relations office (858) 822-1210
